

EUROPEAN
RESUSCITATION
COUNCIL

Preliminary scientific programme

Resuscitation

28 | 29 | 30 September

2017

Freiburg im Breisgau | Germany

www.resuscitation2007.eu

BLS Session

Room 1 13:00 - 14:30

Chaired by

What drives blood flow during CPR?

Compression only CPR - good or bad?

Adjuncts to improve CPR effectiveness.

European Trauma Course - Joint session

Room 2 13:00 - 14:30

Chaired by Carsten Lott & Karl Thies

Resuscitative thoracotomy - what is the best access?

Trauma network - improving patients outcome.

Teaching strategies in trauma management.

Ethical challenges

Room 3 13:00 - 14:30

Chaired by

Patient autonomy in Europe: the law and the practice (living will, patient preferences).

Medical-centered and patient-/family-centered ethics: a dynamic balance.

Early prognostication. Is it possible? Is it helpful?

Free Paper Session 1

Room 4 13:00 - 14:30

Chaired by

ASo1:

ASo2:

ASo3:

ASo4:

ASo5:

ASo6:

ASo7:

Free Paper Session 2

Room 5 13:00 - 14:30

Chaired by

ASo8:

ASo9:

AS10:

AS11:

AS12:

AS13:

AS14:

Hands-On Session 1

Room 6 13:00 - 14:30

Chaired by

CPR Competition (1)

Room 7 13:00 - 14:30

First round of the competition

13.00-13.30 Country 1

13.30-14.00 Country 2

14.00-14.30 Country 3

14:30 - 15:00

Coffee break

ALS Session

Room 1 15:00 - 16:30

Chaired by

Controversies in ALS.

Duration of traditional ALS - when to stop?

Hyperinvasive approaches to CPR - are they worthwhile?

Red Cross - Joint Session

Room 2 15:00 - 16:30

Chaired by

Implementation of ILCOR/ERC guidelines into IFRC International and Red Cross guidelines 2016.

Contextualization of guidelines.

First Aid and the community.

Paediatrics - Neonatals

Room 3 15:00 - 16:30

Chaired by

European Paediatric Basic Life Support - is there a need?

Special circumstances - how special?

Guidelines and courses - a perfect match?

Free Paper Session 3

Room 4 15:00 - 16:30

Chaired by

AS15:

AS16:

AS17:

AS18:

AS19:

AS20:

AS21:

Free Paper Session 4

Room 5 15:00 - 16:30

Chaired by

AS22:

AS23:

AS24:

AS25:

AS26:

AS27:

AS28:

CPR Competition (2)

Room 7 15:00 - 16:30

First round of the competition

15.00-15.30 Country 4

15.30-16.00 Country 5

16.00-16.30 Country 6

Opening Ceremony

Room 1 16:45 - 18:00

Chaired by

Welcome

Safar lecture

Hands-On Session 2

Room 6 15:00 - 16:30

Chaired by

Paediatrics

Room 1 09:00 - 10:30

Chaired by

How to teach to perform/advise on CPR?

Taking paediatric critical care to the ED.

Outcomes in paediatric CPR - What are we looking for?

ESICM - Joint Session

Room 2 09:00 - 10:30

Chaired by

PCI after cardiac arrest.

Oxygenation and ventilation after ROSC.

Prognostication.

Dispatcher

Room 3 09:00 - 10:30

Chaired by

T-CPR for paediatric resuscitation.

How to enhance dispatcher recognition of cardiac arrest?

Integrating ambulance dispatch with mobile phones.

Free Paper Session 5

Room 4 09:00 - 10:30

Chaired by

AS29:

AS30:

AS31:

AS32:

AS33:

AS34:

AS35:

Free Paper Session 6

Room 5 09:00 - 10:30

Chaired by

AS36:

AS37:

AS38:

AS39:

AS40:

AS41:

AS42:

CPR Competition (3)

Room 7 09:00 - 10:30

First round of the competition

09.00-10.30 Country 7

10.30-11.00 Country 8

11.00-12.30 Country 9

10:30 - 11:00

Coffee break

Neonatal

Room 1 11:00 - 12:30

Chaired by

Newborn Life Support and simulation - do we have the tools we need?

Advanced resuscitation of the newborn infant course - is one approach feasible?

Newborn Resuscitation equipment - state of the art.

Hands-On Session 3

Room 6 09:00 - 10:30

Chaired by

ESA - Joint Session

Room 2 11:00 - 12:30

Chaired by

Cardiac arrest in the operating room.

Airway management.

Using anaesthetic drugs to protect the brain.

How to get published?

Room 3 11:00 - 12:30

Chaired by

What makes a good paper?

How to write a good peer review?

Bibliometrics.

Free Paper Session 7

Room 4 11:00 - 12:30

Chaired by

AS43:

AS44:

AS45:

AS46:

AS47:

AS48:

AS49:

Free Paper Session 8

Room 5 11:00 - 12:30

Chaired by

AS50:

AS51:

AS52:

AS53:

AS54:

AS55:

AS56:

CPR Competition (4)

Room 7 11:00 - 12:30

First round of the competition

09.00-10.30 Country 10

10.30-11.00 Country 11

11.00-12.30 Country 12

12:30 - 14:00	Lunch
13:00 - 14:00	Poster tours 1 - 10
12:30 - 14:00	Trainee touchpoint (Room 4)
12:30 - 14:00	NRC meeting (Room 5)

Hands-On Session 4

Room 6 11:00 - 12:30

Chaired by

ACS

Room 1 14:00 - 15:30

Chaired by

Public awareness, does it help?

Networks for STEMI.

Prehospital treatment of ischemia in ACS.

Pro-con Debates

Room 2 14:00 - 15:30

Chaired by

Prevent fever after cardiac arrest but don't use hypothermia.

Lidocaine is the first choice drug for the treatment of shock-refractory VF.

ILCOR

Room 3 14:00 - 15:30

Chaired by

ILCOR - 25 years old.

How do we evaluate evidence?

How to become involved?

Free Paper Session 9

Room 4 14:00 - 15:30

Chaired by

AS57:

AS58:

AS59:

AS60:

AS61:

AS62:

AS63:

Free Paper Session 10

Room 5 14:00 - 15:30

Chaired by

AS64:

AS65:

AS66:

AS67:

AS68:

AS39:

AS70:

15:30 - 16:00

Coffee break

Best of the Best Abstracts

Room 1 16:00 - 17:30

Chaired by

BoB1

BoB2

BoB3

BoB4

BoB5

BoB6

Hands-On Session 5

Room 6 14:00 - 15:30

Chaired by

Round-Table Discussion

Room 2 16:00 - 17:30

Chaired by

ECMO.

Community takes care.

Kids Save Lives

Room 3 16:00 - 17:30

Chaired by

Kids save lives with first aid.

Kids save lives around the world.

ERC initiatives to help kids to save lives.

Free Paper Session 11

Room 4 16:00 - 17:30

Chaired by

AS71:

AS72:

AS73:

AS74:

AS75:

AS76:

AS77:

Free Paper Session 12

Room 5 16:00 - 17:30

Chaired by

AS78:

AS79:

AS80:

AS81:

AS82:

AS83:

AS84:

Hands-On Session 6

Room 6 16:00 - 17:30

Chaired by

First Aid

Room 1 09:00 - 10:30

Chaired by

Gaps in evidence concerning first aid and how to fill the gaps.

Guideline development - more than evidence alone.

The best implementation strategies for society.

ESC - Joint Session

Room 2 09:00 - 10:30

Chaired by

Is sudden death so sudden?

Prevention of sudden death - society in collaboration with medicine.

Refractory OHCA - CPR from scene to hospital.

EuSEM - Joint Session

Room 3 09:00 - 10:30

Chaired by

To be a leader.

To be led.

Is it different if the patient is a child?

What's new?

Room 4 09:00 - 10:30

Chaired by

COSCA

Gaps in science.

What makes us ROC?

EuReCa Meeting

Room 5 09:00 - 10:30

Chaired by

Hands-On Session 7

Room 6 09:00 - 10:30

Chaired by

10:30 - 11:00

Coffee break

Education

Room 1 11:00 - 12:30

Chaired by

Teaching the community to talk with a dispatcher in CA situations.

NTS in CA training.

How to teach children best CPR.

Young Investigators Competition

Room 2 11:00 - 12:30

Chaired by

Systems

Room 3 11:00 - 12:30

Chaired by

The hospital response to cardiac arrest.

Optimal configuration for first responders.

Update on the European Resuscitation Academy.

How to engage?

Room 4 11:00 - 12:30

Chaired by

TED talking.

Engaging children.

Engaging those that are hard to reach.

Free Paper Session 13

Room 5 11:00 - 12:30

Chaired by

AS85:

AS86:

AS87:

AS88:

AS89:

AS90:

AS91:

CPR Competition Finals

Room 7 11:00 - 12:30

12:30 - 14:00	Lunch
13:00 - 14:00	Poster Tours 11 - 20

Special Circumstances

Room 1 14:00 - 15:30

Chaired by

Resuscitating children.

Resuscitation at sea - Trainig fishermen.

Cardiac arrest in the air.

Hands-On Session 8

Room 6 11:00 - 12:30

Chaired by

Evidence Evaluation Masterclass

Room 2 14:00 - 15:30

Chaired by

New Technology For Saving Lives

Room 3 14:00 - 15:30

Chaired by

Virtual reality.

Apps

Identifying deterioration.

Resuscitation Academy Alumni

Room 4 14:00 - 15:30

Chaired by

Free Paper Session 14

Room 5 14:00 - 15:30

Chaired by

AS92:

AS93:

AS94:

AS95:

AS96:

AS97:

AS98:

Hands-On Session 9

Room 6 14:00 - 15:30

Chaired by

Closing Ceremony

Room 1 15:30 - 16:30

Chaired by

Negovsky memorial lecture.

- Best of the Best & Young Investigator awards
- Winner of the CPR competition
- New Honorary Members & Fellows
- Outlook for Resuscitation 2018
- Closing words
